JOJO THE CHOCOLATE DONUT

Written by

Brylon Crier

Illustrated by

Marcus Soniat

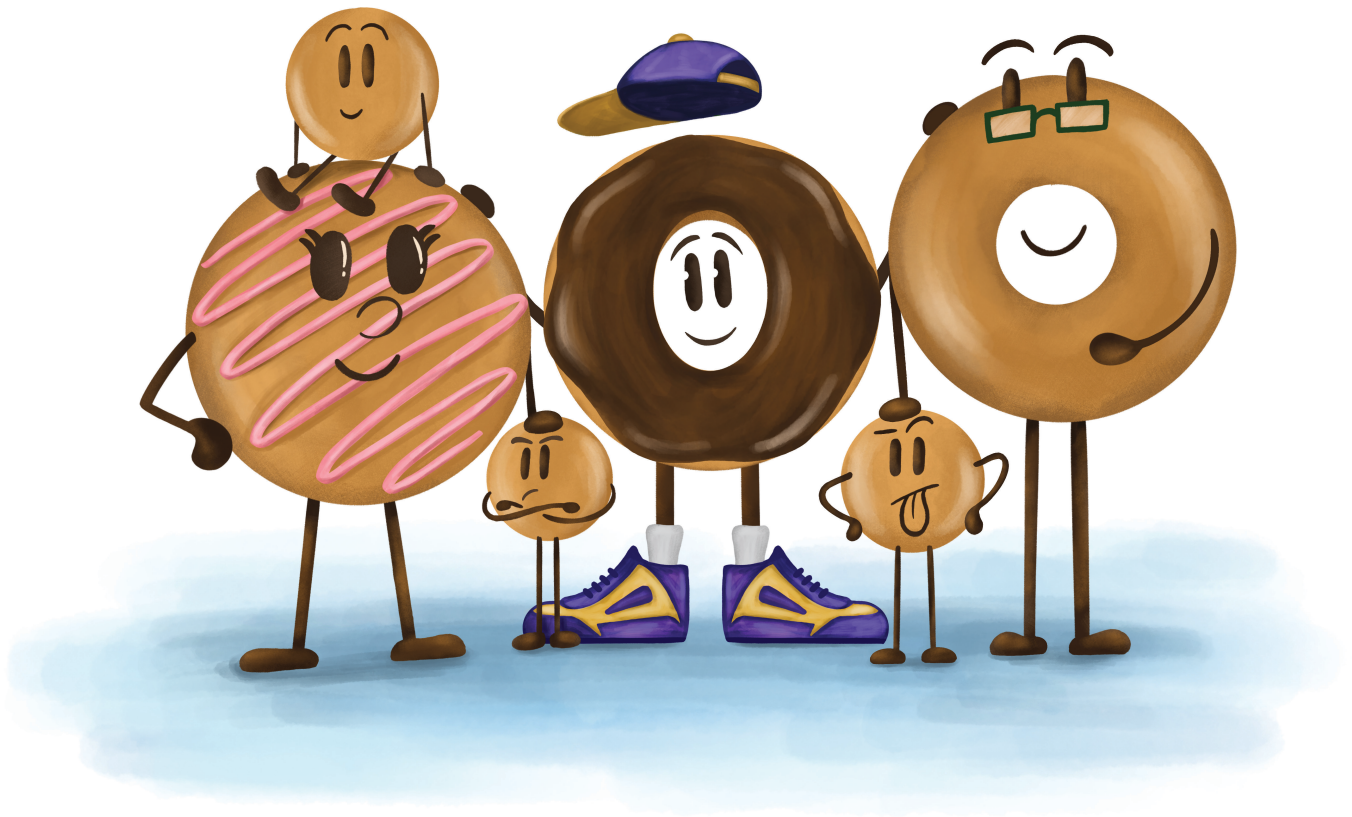

Hi! My name is Jojo!

And, the Holey Moley
Donut Shop is my home.

Here at the Holey Moley
Donut Shop we come in all different
shapes, colors, and sizes.

But, I'm tired of being a
plain ole chocolate donut...

I have an idea!
What if I get a makeover!?

Maybe if I try some sprinkles!

Nope, too sprinkley

How about adding some jelly?

Oh no! Too stuffed!

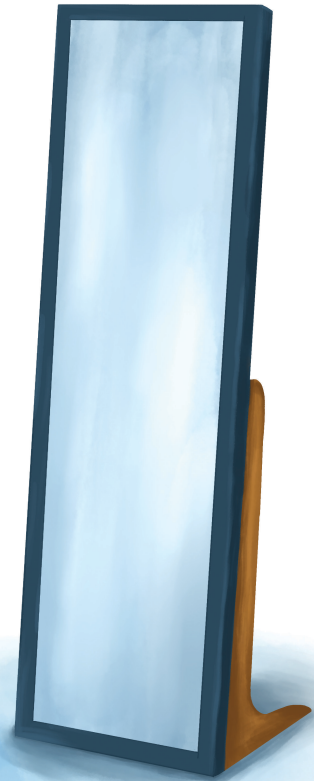

I know! I'll be a French donut!

No way! Too messy!

I give up. I guess I'll just have to be
a plain ole chocolate donut...

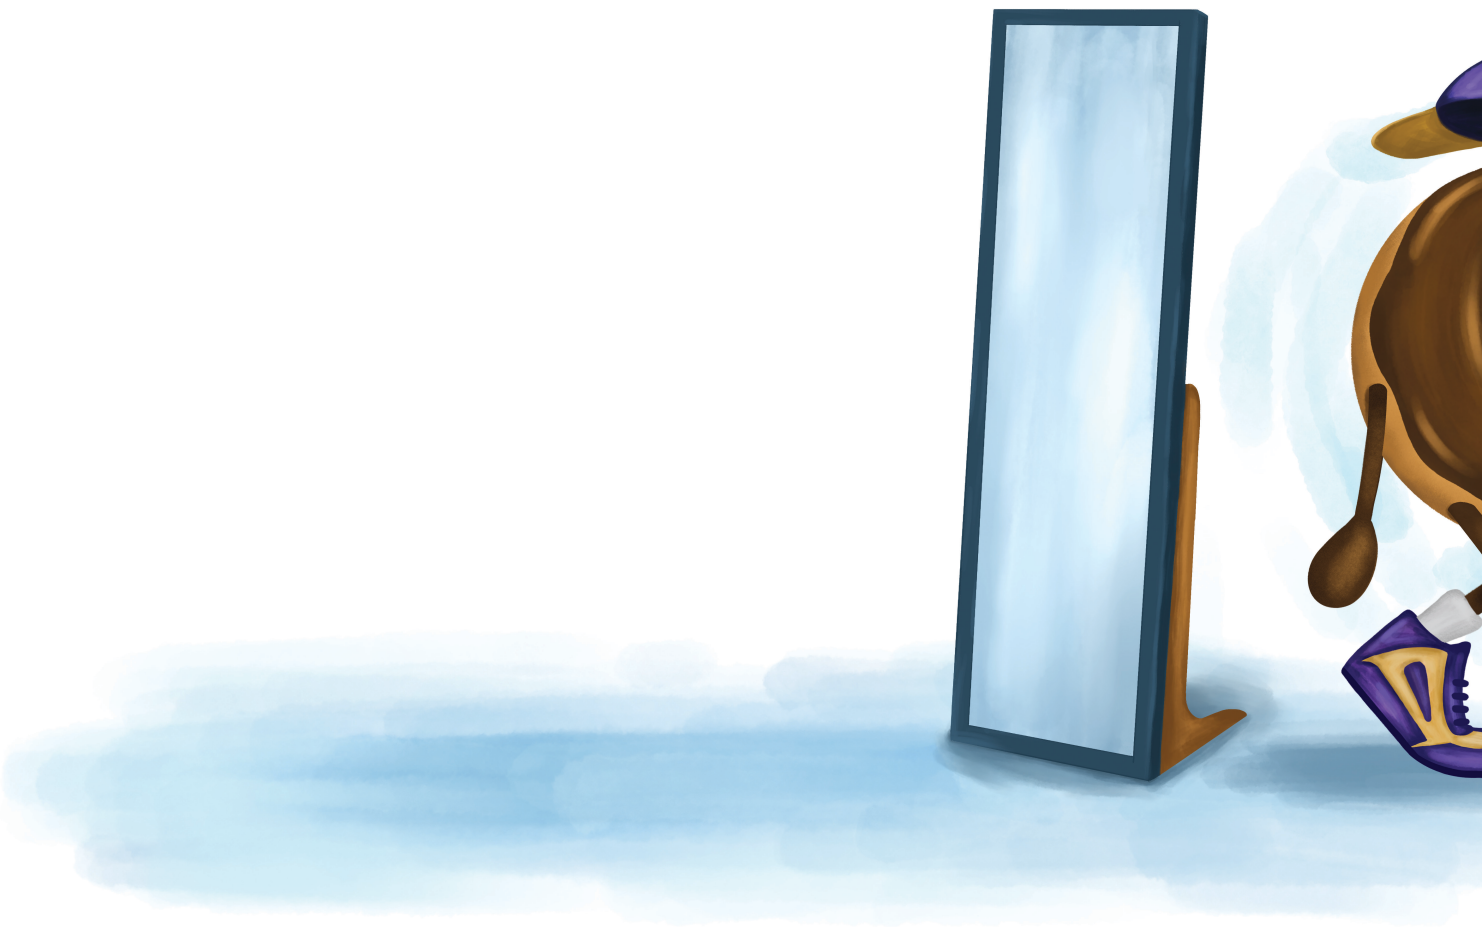

...Chocolate is pretty cool.

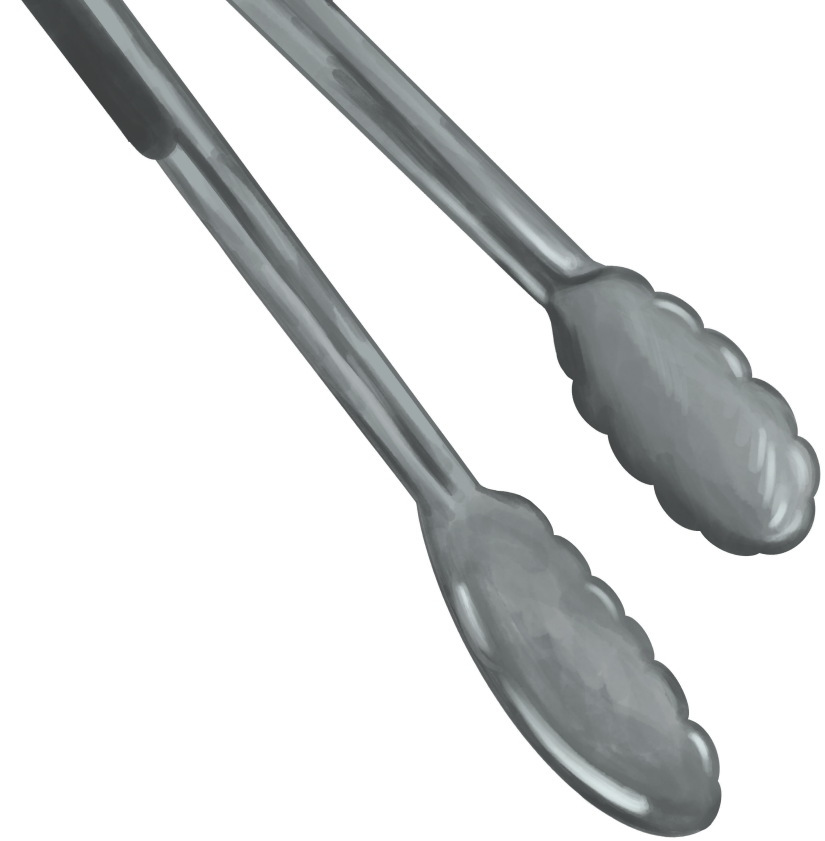

Nothing beats a classic.

== RING RING ==

Oooo! DAD, CAN
I PLEASE HAVE
A CHOCOLATE ONE?

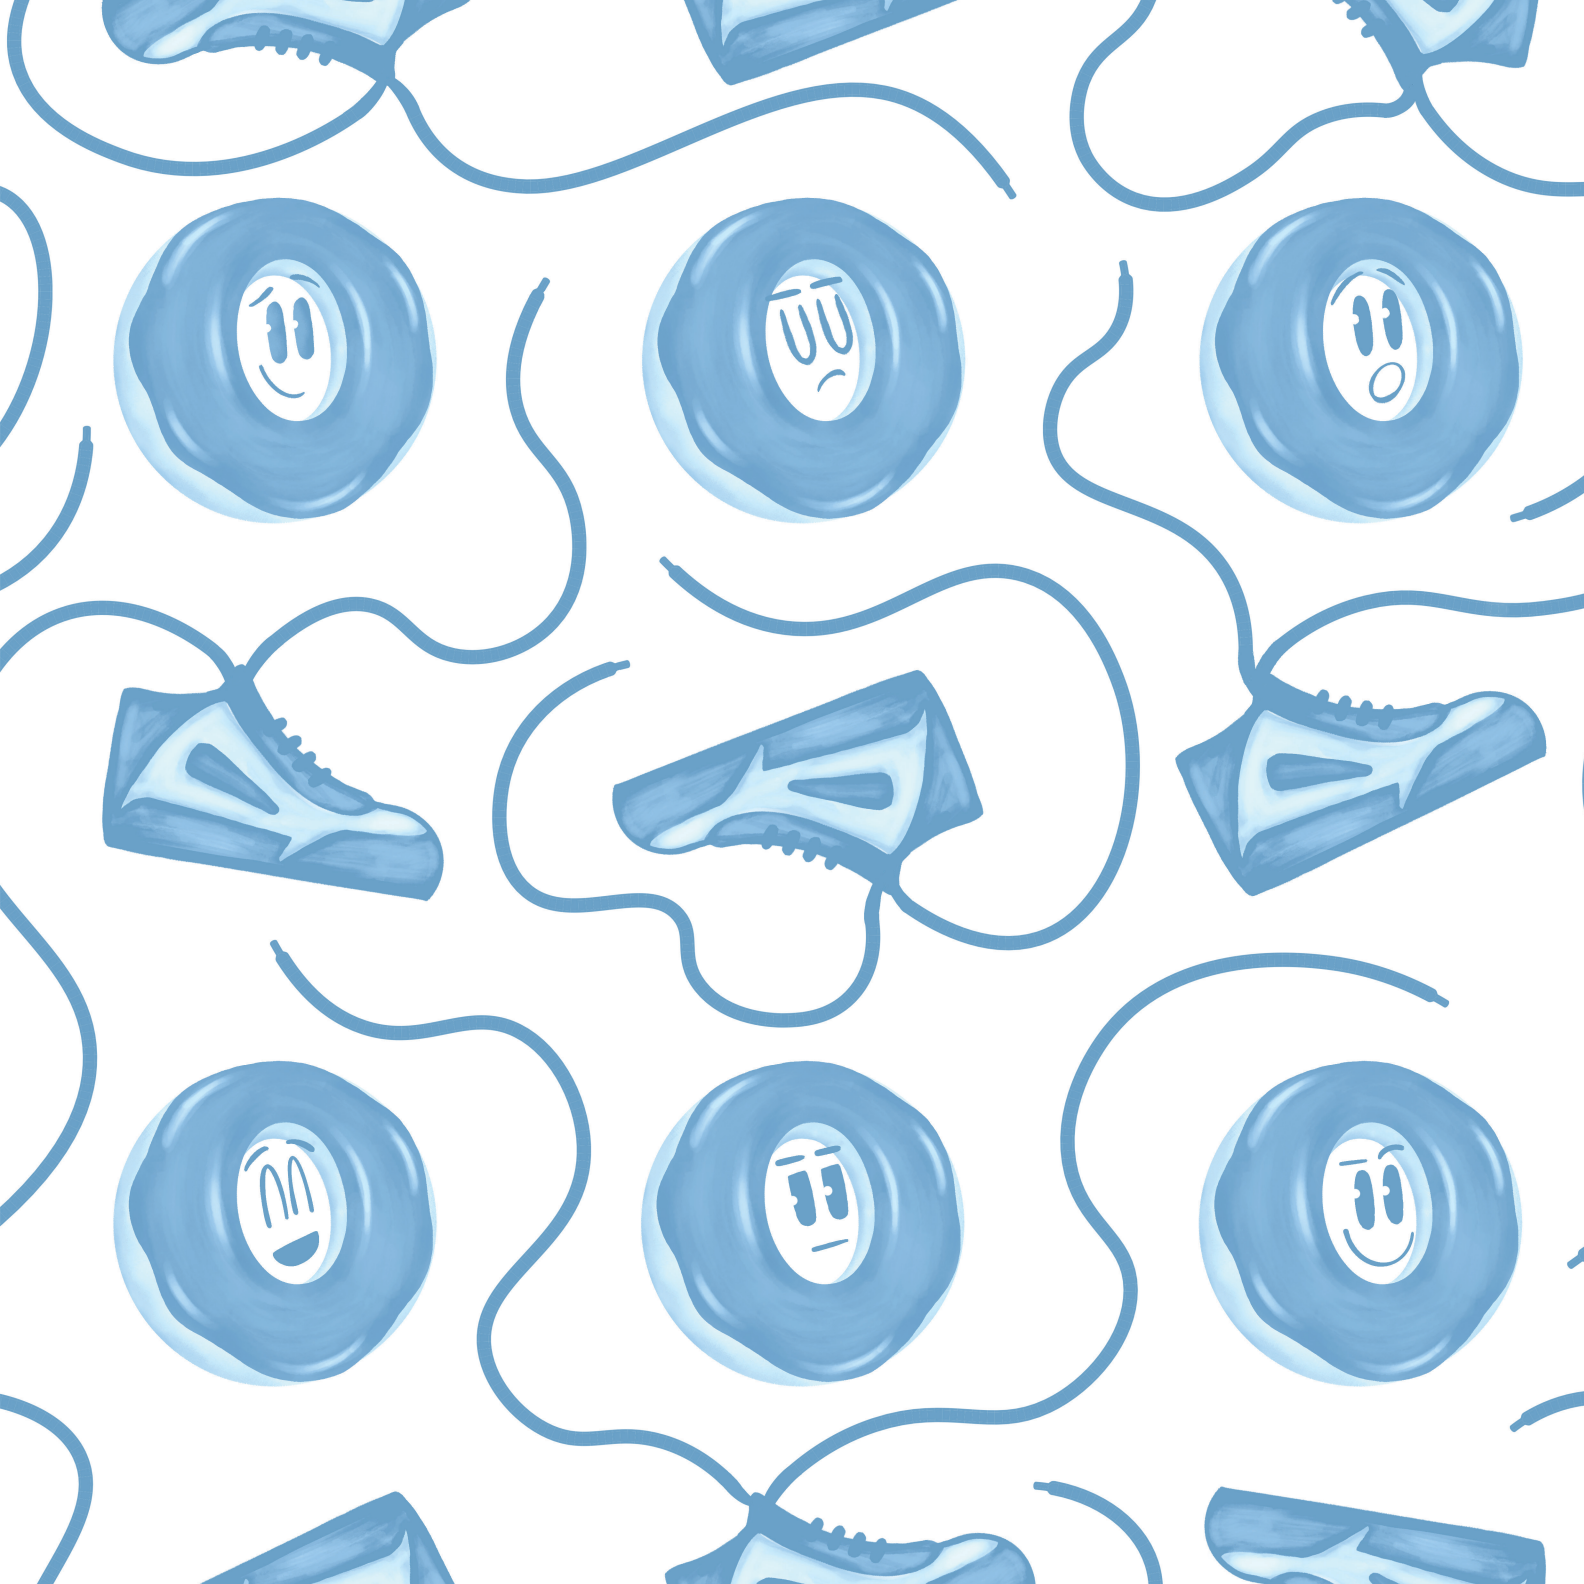

THANKS DAD!
CHOCOLATE IS MY
FAVORITE....

NOTHING BEATS
A CLASSIC!!!

When one little donut considers changing himself, he finds that the frosting isn't always sweeter on the other side. Follow JoJo the Donut as he explores his place in the Holey Moley Donut Shop.

About the Author & Illustrator

Brylon's knack for creative wordplay mixed with Marcus's passion for expressive lettering & illustration come together to bring the story of JoJo the Donut to life. Children across the world can explore identity and positive self-image in a fun, easy-to-follow book.
